### Anticipatory Care Planning: Understanding the impact that talking about planning for future care has on relatives/friends of care home residents

### Whose decision is it anyway? Planning future care at the end of life for Care Home residents

### Investigation of Biological Changes at the End of Life - A systematic review

Coyle S, Mason S, Ellershaw JE

### Strategic Partnerships: First step towards sustainability for young palliative care initiatives: Case Study Kawempe Home Care Uganda

Guma S, Gerever N, Tumwine E, Ellershaw JE

### Long-term use of fentanyl pectin nasal spray in patients with breakthrough pain in cancer.

### Continuous subcutaneous infusions – are we certain the patient is getting what we prescribe?

Dickman A

### Palliative Care Professionals’ Reluctance to Talk about Suicidal Ideation in Depression

### Restless for Sleep - What Do Palliative Care Professionals Assess in Patients with Insomnia?

### Using Cognitive Pre-testing to validate the use of “Care of the Dying Evaluation” (CODE) for those who die at home: an instrument to assess the views of bereaved relatives.

### Health professionals’ experiences of using the Liverpool Care Pathway for the Dying Child in a hospice and community outreach team setting

Probyn J, Gambles M, Sutherland-Oakes J, Murphy D, Ellershaw JE, Brook L

### An exploration of the role of the Key Champion in the process of implementation of the ‘Liverpool Care Pathway for the dying patient in Intensive Care, Model Pathway’ (LCP ICU - MP)

Mulholland H, Gambles M

### Diagnosing Dying’ Delphi: Gaining Consensus?

Latten RJ, Williams EMI, Ellershaw JE

### The role of ‘Breathing Changes’ in recognising the imminently dying phase

Latten RJ, Williams EMI, Ellershaw JE

### Palliative Care Education, Builds Resilience for communities to care for AIDS patients in an Urban Slum. A Case Study Kawempe Home Care, Uganda

### Using Reflective Diaries to explore the lived experience of a volunteer training program to support patients in the last hours and days of life

Nolan K, Chen H, Mason S, Gambles M, Ellershaw JE

### Case Manager - End of Life Care: A New and Innovative Role

Griggs C, Doyle R

### Using the Medical Research Council (MRC) guidance to develop a ‘Complex Intervention’ for Advance Care Planning in care homes for residents nearing the end of life: Results from Phase 1

McGlinchey T, Saltmarsh P, Mason S, Gambles M, Bancroft R

| 10th Congress of European Association of Palliative Care (EAPC), Budapest Hungary | 7th – 9th June 2007   | Fit for purpose: Modernising Minimum Data Set Collection in United Kingdom – Littlewood C, Jack B, Ellershaw J, Murphy D, Eve A  
Learning to care: results of a longitudinal study examining the effects of an education programme for medical undergraduates – Mason S, Ellershaw J  
Learner Centred Communication Skills Training for Undergraduate Medical Students: Cross Cultural Comparisons – Mason S, Ellershaw J  
Using evidence from the Liverpool Care of the Dying Pathway (LCP) in a Cancer Network in England to compare patient comfort in the last days of life in hospice and hospital environments – Gambles M, McGlinchey T, Murphy D, Gomm S, Ellershaw J  
Benchmarking Care of the Dying with the Liverpool Care of the Dying Pathway (LCP) – Gambles M, McGlinchey T, Murphy D, Gomm S, Ellershaw J  
The challenge of effective communication in the dying phase: benchmarking evidence from the Liverpool Care of the Dying Pathway (LCP) in two cancer networks – Gambles M, McGlinchey T, Murphy D, Gomm S, Ellershaw J  
The attitudes of critical care staff towards end-of-life care guidance: a survey questionnaire – Chapman L, Gambles M, Murphy D, Richardson K, McGlinchey T, Ellershaw J  
Revision of the Changing Gear Document – Flockton R, Sutton L, Murphy D, Ellershaw J  
An audit of referral practice of patients with end stage renal disease to the Royal Liverpool University Hospital Palliative Care Team – McKeown A, Hugel H, Agar R, Hugel H  
The Management of Nausea in the Last Days of Life - Flockton RJ, Ferguson H, Brook M, Dickman A, Groves K  
The Management of Agitation in the Last Days of Life - Flockton RJ, Ferguson H, Brook M, Dickman A, Groves K  
A Comparison of Referrals to the Specialist Palliative Care Team of Patients with Malignant and Non-Malignant Diseases over a 5-year period – Flockton RJ, Richardson K, Gambles M, Ellershaw JE  
The Medical Management of Malignant Bowel Obstruction – Flockton RJ, Doherty J, Wiseman J  
A retrospective review of the use of promethazine for control of nausea and vomiting – Formby F, Dickman A, Murdoch V  
Staying healthy at work: sense of coherence and hardiness in palliative care nurses – Ablett J, Jones RSP |
| Event                                                                 | Date                  | Title & Individual(s)                                                                                                                                                                                                 |
| Annual International RCN Nursing Research Conference 2007, Dundee    | 1st - 4th May 2007    | Modernising the Minimum Data Set (MDS) for Specialist Palliative Care Services in the United Kingdom using an action research approach – Jack BA, Littlewood C, Murphy D, Eve A, Young E, Khatri A, Ellershaw JE |
| Event                                                                 | Date                  | Title & Individual(s)                                                                                                                                                                                                 |
